Faculty

John Adams Administration

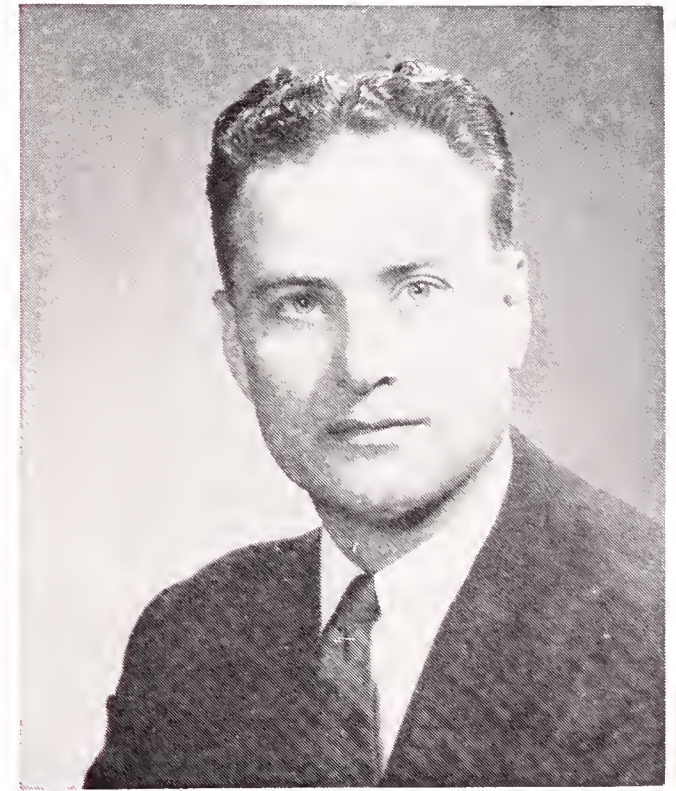

Mr. Frank E. Allen, Superintendent of Schools

We of John Adams were indeed fortunate to have such a fine administration this year.

Mr. Frank E. Allen, our superintendent, was ably assisted by the Board of Education consisting of Mrs. Milo Hodson; Arthur M. Russell, Jr.; Orlo R. Deahl; Robert Walker; and Maurice Yarger.

We also want to express our appreciation to Mr. Russell Rothermel, our principal, who has lead the faculty and students through another successful year and has proved a friend to all.

Mr. Russell Rothermel, Principal

ALICE GASSMANN and HANS BOHLMANN

VISITORS FROM ABROAD

Alice Gassmann has been studying United States history, civics, and social living with us at Adams this year in order that she may obtain a diploma by United States Standards. Alice graduated from high school in Denelsillen, Switzerland, and now is preparing to enter a three year nursing course in a South Bend hospital.

It has been nice having Alice with us and we all wish her success in her nursing career.

As a junior Hans Bohlmann has been studying chemistry, algebra, French, United States history, and English. It has been necessary for him to continue the work of his own class in Hamm, Germany at the same time.

We are glad Hans attended Adams and hope he has enjoyed his past year in the United States.
